

REMARKS

Entry of this amendment and reconsideration is respectfully requested.

This amendment corrects the specification to reflect the presence of parts A and B to Figures 3-6. Applicants submit that these amendments to the claims are supported throughout the specification and do not represent new matter.

Amendment to the Specification

Applicants have corrected the inadvertent typographical errors by way of the present Amendment to the Specification. No new matter is presented.

Summary

Applicants submit that the claims are in condition for allowance and notification to that effect is earnestly solicited. The Examiner is invited to contact Applicants' representative if prosecution may be assisted thereby.

Respectfully submitted,
